## BACKGROUND TOLMANN'S DISTILLERY

Tolmanns Gin is distilled at our particularly beautiful location: Fort at Vijfhuizen. This is part of the Defense Line of Amsterdam-UNESCO World Heritage. A place full of history. Tolmanns Distillery is the passion of Co-founders Martin and Ron and Master Distiller Etiënne. You can taste their passion in this special Gin. Tolmanns Gin is distilled in a unique copper pot still with high-quality ingredients. It is not without reason that Tolmanns Gin won the IWSC Silver Outstanding Award 2017.

## TASTING PROFILE:

Leafy and citrus aromas with a touch of celery stalk. Initial flavours of ginger spice and chocolate, reminiscent of pfeffernusse cookies, are followed by fragrant lemongrass, piney juniper, and then a little more ginger before a spicy and smooth finish.
